Aldergate Personal Injury · Injury Claims Gateway

Claimant

Joseph Thompson · CLAIM-5182

Circumstances

The claimant was stationary at the A38 Chester Road junction when the third-party vehicle struck the rear of his car. Police attended and the third-party driver was identified at the scene. Dashcam footage from the claimant's vehicle corroborates the sequence.

Third-party position

The third-party insurer admits primary liability but alleges 25% contributory negligence for late braking, relying on its own reconstruction of the claimant's braking distance.
