

Personal Injury Claims SOP v3

Aldergate Personal Injury · Policy library

Applies to

Claims resolution, all injury tiers

Version

v3

Scope

The internal procedure governing claims resolution: evidence requirements, authority thresholds, and the route each liability position takes, including when contributory negligence is applied.

Evidence requirements

Medical records, treatment and rehabilitation plan, loss of earnings evidence and accident circumstances must all be on file before a quantum position is formed.

Authority

Settlements up to £35,000 sit with the claims officer. Above £200,000 requires the Head of Claims.
